Earth Sciences 2
EARTH CATASTROPHES
Lectures: MWF 10:40-11:45 pm Classroom Unit 1: Gen. Ed. SI

PROFESSOR: THORNE LAY
Office Hours: Room C382 E&MS, MWF. 11:45 am-12:45 pm (tlay@ucsc.edu)

TUTOR: TBD

World Wide Web Address: https://websites.pmc.ucsc.edu/~thorne/EART2/

Lecture Powerpoints: https://websites.pmc.ucsc.edu/~thorne/EART2_Lectures/lecture.htm

Course Evaluation: 3 in-class 1-hour exams, each covering 1/3 of the course material and each worth 25% of the grade (no Final Exam). 25% homework (CONNECT: https://newconnect.mheducation.com/flow/connect.html). Instructions on how to use this system are available at https://www.youtube.com/watch?v=5beTQynMyc4 Grades are based on your performance relative to the class mean/median, which is set at the break between C+ and B-. Point accumulations more than a rescaled standard deviation below the mean are not sufficient to earn SI or T-2 credit for the course (C-, D+, D, D-, F, NP).
